EDISON ELECTRIC INSTITUTE

# INDEX TO 1948 EDISON ELECTRIC INSTITUTE BULLETIN

## Volume 16

| *Issue* | *Pages* | *Issue* | *Pages* |
|---|---|---|---|
| January | 1- 32 | July | 229-260 |
| February | 33- 64 | August | 261-292 |
| March | 65-100 | September | 293-324 |
| April | 101-132 | October | 325-356 |
| May | 133-164 | November | 357-392 |
| June | 165-228 | December | 393-424 |

## General Index

A

Accident Prevention
- A Survey of Rubber Glove Practice—I. R. Dohr, 84
- Application and Care of Rubber Protective Equipment, 349
- Falls Rank Second in Industry's Fatal Accidents—D. C. Stewart, 15
- Leadership in Accident Prevention—A. T. O'Neill, 207
- Safety Considerations in Substation and Power Station Design—W. T. Rogers, 93
- The Next Twenty-five Years in Accident Prevention—K. R. MacKinnon, 405
- Twenty EEI Resuscitation Medal Awards Earned by Alert Power Company Employees—Mae B. Woods, 51

Accident Prevention Committee
- Chicago Meeting, 287
- Colorado Springs Meeting, 351
- Pittsburgh Meeting, February 16 and 17, 61

Accounting
- AGA-EEI Accountants Hold Largest, Most Informative Joint Conference in St. Louis, 133
- Collection Practices from the Standpoint of Cost—John C. Faris, 145
- Current Problems in Depreciation Accounting—James V. Toner, 7
- Employee Performance Rating for Accounting Department and Other Office Employees—E. R. Eberle and J. E. King, 277
- Joint Accounting Conference at St. Louis, Missouri, April 12-14, 45
- Use of Judgment in Estimating Life Characteristics of Depreciable Property—George T. Logan and Charles T. Dwight, 153

ACRMA-EEI-NEMA-REMA Joint Committee on Air Conditioning and Refrigerating Equipment—J. W. Anderson, 387

Action on Recommendation for a Public Information Program Is Taken by Board of Directors, 293

Advertising
- Advertising cum laude (reprinted from *Reader's Digest*), 306
- Some Objectives for Public Utility Advertising—Robert W. Pratt, 89
- Three Acres to Harvest—H. S. Metcalfe, 119
- What the Utility President Expects from the Advertising Manager—Elmer L. Lindseth, 261

AGA-EEI Accountants Hold Largest, Most Informative Joint Conference in St. Louis, 133

Air Conditioning
- ACRMA-EEI-NEMA-REMA Joint Committee on Air Conditioning and Refrigerating Equipment—J. W. Anderson, 387
- Frequency of Starting Room Air Conditioners—J. W. Anderson, 142

All-Electric Kitchen Program—Harry Restofski, 396

All-Time Attendance Record and High-Caliber Program Mark 14th Annual EEI Sales Conference, 101

Annual Planned Lighting Awards to Be Offered by EEI, Better Light-Better Sight Bureau, 121

"Application & Care of Rubber Protective Equipment" Recently Published by EEI, 349

Approach to Old Age and Retirement—J. P. Flemming, 81

Awards
- Information on Seven Major Prize Competitions, 385
- Liversidge Honored on Fiftieth Anniversary with Philadelphia Electric Co., 328
- Matthews Valor Award Medals Presented, 348
- New Procedure Is Established for Selection of Charles A. Coffin Medal Winners, 340
- Planned Lighting Awards, 112
- Reddy Kilowatt Annual Report Contest, 28
- Report of the Prize Awards Committee, 195
- Twenty EEI Resuscitation Medal Awards Earned by Alert Power Company Employees—Mae B. Woods, 51

B

Broad Economic Trends as They Affect the Utility Industry—Dr. Lionel D. Edie, 191

Business-Managed Companies Report 20.3 Million Kilowatts of Capacity Increases During Five Year Period, 394

C

Central Hudson Books and Film Aimed at Better Employee-Public Understanding, 28

Coffin Medal
- New Procedure Is Established for Selection of Charles A. Coffin Medal Winners, 340

Collection Practices from the Standpoint of Cost—John C. Faris, 145

Commercial Activities
- All-Time Attendance Record and High-Caliber Program Mark 14th Annual EEI Sales Conference, 101
- Annual Planned Lighting Awards to Be Offered by EEI, Better Light-Better Sight Bureau, 121
- Commercial Sales: Unlimited—P. M. Alden, 122
- GE and EEI Commercial Division Sponsor Industrial Electric Heating School, 106
- Long Range Growth—A Challenge to Utility Sales Forces—Walker L. Cisler, 111
- Recent Commercial Division Activities, 303
- Relation of the Power Salesman to the Utility Problem—W. C. Beckjord, 109
- Sales Are Important—Ralph P. Wagner, 107
- Sales Training Film on Home Lighting Released by EEI, 243
- The All-Electric Kitchen Program—Harry Restofski, 396
- What Does $6 Billion Mean to the Utility Salesman?—Charles E. Oakes, 105

Commercial Sales: Unlimited—P. M. Alden, 122

Community Builders—A. C. Spurr, 3

Consolidated Edison's Fire School Learns by Doing, 307

Construction Program
- Business-Managed Companies Report 20.3 Million Kilowatts of Capacity Increases During Five-Year Period, 394
- What Does $6 Billion Mean to the Utility Salesman?—Charles E. Oakes, 105

Conventions and Meetings
- Accident Prevention Committee Meetings, 61, 287, 351
- AGA-EEI Accountants Hold Largest, Most Informative Joint Conference in St. Louis, 133
- All-Time Attendance Record and High-Caliber Program Mark 14th Annual EEI Sales Conference, 101
- Ebasco Holds 10th Annual Safety Meeting at National Safety Congress, 410
- Electrical Equipment Committee Meetings, 60, 161, 389
- 14th Annual EEI Sales Conference Scheduled for Chicago, April 6-8, 24
- Indiana Electric Association Annual Convention, 410
- Indiana Electric Association Young Men's Utility Conference, 108
- Industrial Relations Committee Personnel Conference, April 21-23, 36
- Industrial Relations Conference Will Discuss Collective Bargaining Techniques, 304
- Joint Accounting Conference at St. Louis, Missouri, April 12-14, 45
- Maryland Utilities Association Annual Meeting, 96

Meter and Service Committee Meeting, 61
National Farm Electrification Conference Scheduled for Chicago, Nov. 17-19, 245
Northwest Electric Light & Power Ass'n Chooses New Officers, 286
Public Utility Motor Vehicle Supervisors Hold Annual Conference, 88
Sixteenth Annual EEI Convention Spurs Industry's Confidence in Future, 165
The 16th Convention of the Institute, 65
Third National Farm Electrification Conference Reports Improvements of Farm Living Standards, 399
Third National Farm Electrification Conference to Meet in Chicago, Nov. 17-19, 334
Transmission and Distribution Committee Meetings, 97, 159, 388
Conversion of Milk Cooler to Heat Pump, 414
Current Problems in Depreciation Accounting—James V. Toner, 7
Customer Information Manuals—B. Morgan Scherer and C. J. Berner, 149
Customer Relations
A New Year's Message to Employees and Customers—Thomas W. Martin, 19
Central Hudson Books and Film Aimed at Better Employee-Public Understanding, 28
Collection Practices from the Standpoint of Cost—John C. Faris, 145
Commercial Sales: Unlimited—P. M. Alden, 122
Customer Information Manuals—B. Morgan Scherer and C. J. Berner, 149
Life Insurance Company Public Opinion Survey Rates Electricity Best Value for the Money, 294
The Human Side of Other People—Horace I. Seeley, 411
The Utilities and the Community—A. C. Spurr, 198
Three Acres to Harvest—H. S. Metcalfe, 119
Three Sound Approaches to Good Customer Relations—John C. Faris, 275
CVPS Man on SEP Cover, 24

D

Decline of Property Rights—Martin R. Gainsbrugh, 137
Depreciation
Current Problems in Depreciation Accounting—James V. Toner, 7
Use of Judgment in Estimating Life Characteristics of Depreciable Property—George T. Logan and Charles T. Dwight, 153

E

Ebasco Holds 10th Annual Safety Meeting at National Safety Congress, 410
Edison Medal
Twenty EEI Resuscitation Medal Awards Earned by Alert Power Company Employees—Mae B. Woods, 51
Edison, Thomas A.
Nation-wide Observance of Edison's Birthday Is Planned, 414
EEI Committees
Action on Recommendation for a Public Information Program Is Taken by Board of Directors, 293
EEI General, Engineering and Accounting Committees Organized to Meet Wide Demands of Industry's Activities, 363
Expansion Program Broadens Activities of EEI Commercial Committees—James T. Coatsworth, 329
Joint AEIC-EEI Heat Pump Committee Suggests Method for Ground Temperature Measurements, 35
Joint AEIC-EEI Heat Pump Committee Survey, 256
Members of AEIC-EEI Heat Pump Committee Establish Zones to Gather Field Test Data, 18
Personnel of EEI Committees for 1948-1949, 309
Summary of Survey of Degree of Standardization of Electric Water Heating Practices as of January 1, 1948, 350
The Engineer and Internationalism—E. G. Bailey, 249
The Prime Movers Committee, 254
EEI General, Engineering & Accounting Committees Organized to Meet Wide Demand of Industry's Activities, 363
EEI Publications and Service Material, 26
Effective Organization for Industrial Power Sales—F. McQuillin, 267
Electric Customers Now Total 40 Million in U. S., 294
Electric Heating
GE and EEI Commercial Division Sponsor Industrial Electric Heating School, 106
Summary of Survey of Degree of Standardization of Electric Water Heating Practices as of January 1, 1948, 350
Technical Aid Improves Infrared Performance—F. J. Jolly, 77
Electric Industry
A Look at Your Earnings—Alan H. Temple, 181
An Engineer's Appraisal of the Current Outlook—F. T. Letchfield, 125
Broad Economic Trends as They Affect the Utility Industry—Dr. Lionel D. Edie, 191
Business-Managed Companies Report 20.3 Million Kilowatts of Capacity Increases During Five-Year Period, 394
Electric Customers Now Total 40 Million in U. S., 294
Electric Power Demand Continues High Growth Rate, 349
Electric Power Supply and Load in the United States—C. W. Mayott, 357
Electric Power Supply to Farm Customers, 33
Inflation and the Utilities—N. E. Funk, 73
In Passing—Dean Sims, 40
Long Range Growth—A Challenge to Utility Sales Forces—Walker L. Cisler, 111
More Power to America—J. O. Roser, 271
Opportunities Beckon Student Engineers to the Electric Industry—Philip Sporn, 295
Power Industry Successfully Meets Peak Power Demands, 1
Prospects for Future Industrial Power Load—C. B. Stainback, 113
Recent Markets for Electric Utility Securities and a Look to the Future—Edward Hopkinson, Jr., 186
Relation of the Power Salesman to the Utility Problem—W. C. Beckjord, 109
The Electric Industry in 1948—Ernest R. Acker, 393
The Electric Industry in 1948—The President's Address—Charles E. Oakes, 173
The Electric Industry's Progress in Wisconsin—W. E. Schubert, 335
The Engineer and Internationalism—E. G. Bailey, 249
The Future—A Challenge—J. B. Thomas, 214
The Importance of Keeping the Power Industry Financially Sound—Hon. H. Lester Hooker, 178
The Public Utilities, 270
Thirty Thousand Hours a Minute—Gwilym A. Price, 236
What Does $6 Billion Mean to the Utility Salesman?—Charles E. Oakes, 105
Electric Industry in 1948—The President's Address—Charles E. Oakes, 173
Electric Industry in 1948—E. R. Acker, 393
Electric Industry's Progress in Wisconsin—W. E. Schubert, 335
Electric Power Demand Continues High Growth Rate, 349
Electric Power Supply and Load in the United States—C. W. Mayott, 357
Electric Power Supply to Farm Customers, 33
Electrical Equipment
Electrical Testing Features Involved in Starting the New O. H. Hutchings Generating Station of the Dayton Power & Light Company—H. E. Deardorff, 379
Safety Considerations in Substation and Power Station Design—W. T. Rogers, 93
The Inspection, Testing and Maintenance of Electrical Equipment for Stations and Substations—A. C. Baumann and R. H. Mertz, 47
Welded Aluminum Bus in Outdoor Transformer Yard of Sewaren Generating Station—D. M. Quick, 415
Electrical Equipment Committee
Chicago Meeting, May 3-4, 161
Pittsburgh Meeting, 389
Cincinnati Meeting, Feb. 12 and 13, 60
Electrical Testing Features Involved in Starting the New O. H. Hutchings Generating Station of the Dayton Power & Light Company—H. E. Deardorff, 379
Elimination of Gaskets on Underground Submersible Transformers—C. P. Xenis, 383
Employee Performance Rating for Accounting Department and Other Office Employees—E. R. Eberle and J. E. King, 277
Employee Relations
A New Year's Message to Employees and Customers—Thomas W. Martin, 19
Central Hudson Books and Film Aimed at Better Employee-Public Understanding, 28
Employee Performance Rating for Accounting Department and Other Office Employees—E. R. Eberle and J. E. King, 277
Factors in Good Personnel Administration—Guy W. Wadsworth, Jr. and E. H. Adriance, 21
New England Electric Publishes Employee Manual, 34
Opportunities Beckon Student Engineers to the Electric Industry—Philip Sporn, 295
The Approach to Old Age and Retirement—I. P. Flemming, 81
The Human Side of Other People—Horace I. Seeley, 411
The Next Twenty-Five Years in Accident Prevention—K. R. MacKinnon, 405
The Role of Government in Labor Relations—Cyrus S. Ching, 233
Engineer and Internationalism—E. G. Bailey, 249
Engineer's Appraisal of the Current Outlook—F. T. Letchfield, 125
Expansion Program Broadens Activities of EEI Commercial Committees—James T. Coatsworth, 329

F

Factors in Good Personnel Administration—Guy W. Wadsworth, Jr. and E. H. Adriance, 21
Failure of Marxism—John Dos Passos, 11
Falls Rank Second in Industry's Fatal Accidents—D. C. Stewart, 15
Farm Electrification
- Electric Power Supply to Farm Customers, 33
- Importance of Newly Developed Methods to Process and Store Farm Crops—Arthur W. Turner, 419
- National Farm Electrification Conference Scheduled for Chicago, Nov. 17-19, 245
- Rural Electrification From the Power Company Viewpoint—Grover C. Neff, 244
- The Utilities' Stake in Soil Conservation—Dr. H. H. Bennett, 203
- Third National Farm Electrification Conference Reports Improvements of Farm Living Standards, 399
- Third National Farm Electrification Conference to Meet in Chicago, Nov. 17-19, 334

Ferguson, Samuel
- Public Utility Papers of Samuel Ferguson—C. W. Kellogg, 305

Finance
- A Look at Your Earnings—Alan H. Temple, 181
- Broad Economic Trends as They Affect the Utility Industry—Dr. Lionel D. Edie, 191
- Inflation and the Utilities—N. E. Funk, 73
- Recent Markets for Electric Utility Securities and A Look to the Future—Edward Hopkinson, Jr., 186
- Taxes and the Stockholder—Lee P. Stack, 239
- The Importance of Keeping the Power Industry Financially Sound—Hon. H. Lester Hooker, 178
- Who Are Our Stockholders?—Harold S. Sutton, 210

5 Midwest Utilities Link Up 4-State Power Pool, 265
14th Annual EEI Sales Conference Scheduled for Chicago, April 6-8, 24
Free Enterprise
- Decline of Property Rights—Martin R. Gainsbrugh, 137
- Revolutions and Roadblocks—Chester H. Lang, 229
- The Failure of Marxism—John Dos Passos, 11
- The Heritage That is Ours—Louis V. Sutton, 263
- Two Worlds—W. C. Mullendore, 299

Frequency of Starting Room Air Conditioners—J. W. Anderson, 142
Fundamental Investigation of Graphitization of Piping—Final Progress Report, 43
Future—A Challenge—J. B. Thomas, 214

G

GE and EEI Commercial Division Sponsor Industrial Electric Heating School, 106
Generating Capacity
- Business-Managed Companies Report 20.3 Million Kilowatts of Capacity Increases During Five-Year Period, 394
- Electric Power Demand Continues High Growth Rate, 349
- Electric Power Supply and Load in the United States—C. W. Mayott, 357
- New Generating Capacity Installations, 395
- Power Industry Successfully Meets Peak Power Demands, 1
- Prospects for Future Industrial Power Load—C. B. Stainback, 113
- Thirty Thousand Hours a Minute—Gwilym A. Price, 236

Generation
- Electrical Testing Features Involved in Starting the New O. H. Hutchings Generating Station of the Dayton Power & Light Company—H. E. Deardorff, 379

Government Ownership
- The Failure of Marxism—John Dos Passos, 11
- The Public Utility Papers of Samuel Ferguson—C. W. Kellogg, 305
- Two Worlds—W. C. Mullendore, 299
- Why Business Men and Taxpayers Outside the Tennessee Valley Oppose the New Johnsonville Steam Plant—Ernest R. Acker, 325

Graphitization of Piping
- Fundamental Investigation of Graphitization of Piping—Final Progress Report, 43

H

Heat Pump
- Conversion of Milk Cooler to Heat Pump, 414
- Initial Survey of Heat Pump Research, 85
- Joint AEIC-EEI Heat Pump Committee Suggests Method for Ground Temperature Measurements, 35
- Joint AEIC-EEI Heat Pump Committee Survey, 256
- Members of AEIC-EEI Heat Pump Committee Establish Zones to Gather Field Test Data, 18
- Suggested Field Test Procedure for Determination of Coefficient of Performance and Performance Factor of an Electric Heat Pump While Operating on the Heating Cycle, 341

Heritage That Is Ours—Louis V. Sutton, 263
Human Side of Other People—Horace I. Seeley, 411

I

IFMA Contest Offers $1,500 in Prizes For Technical Articles on Industrial Furnaces, 28
Importance of Keeping The Power Industry Financially Sound—Hon. H. Lester Hooker, 178
Importance of Newly Developed Methods to Process and Store Farm Crops—A. W. Turner, 419
Improved Handling Methods—An Answer to Industry's Rising Production Costs—F. W. McChesney, 127
In Passing—Dean Sims, 40
Indiana Electric Association Annual Convention, 410
Indiana Electric Association Young Men's Utility Conference, 108
Industrial Development
- An Engineer's Appraisal of the Current Outlook—F. T. Letchfield, 125
- Community Builders—A. C. Spurr, 3
- In Passing—Dean Sims, 40
- Long Range Growth—A Challenge to Utility Sales Forces—Walter L. Cisler, 111
- Prospects for Future Industrial Power Load—C. B. Stainback, 113
- The Electric Industry's Progress in Wisconsin—W. E. Schubert, 335
- The Utilities and the Community—A. C. Spurr, 198

Industrial Management Institutes Sponsored by University of Wisconsin—J. D. Howard, 41
Industrial Power
- Effective Organization for Industrial Power Sales—F. McQuillin, 267
- Improved Handling Methods—An Answer to Industry's Rising Production Costs—F. W. McChesney, 127
- More Power to America—J. O. Roser, 271
- New Uses and Applications of Electric Service—Release No. 1—42
- Prospects for Future Industrial Power Load—C. B. Stainback, 113
- Relation of the Power Salesman to the Utility Problem—W. C. Beckjord, 109
- Technical Aid Improves Infrared Performance—F. J. Jolly, 77

Industrial Relations
- Employee Performance Rating for Accounting Department and Other Office Employees—E. R. Eberle and J. E. King, 277
- Factors in Good Personnel Administration—Guy W. Wadsworth, Jr. and E. H. Adriance, 21
- Industrial Management Institutes Sponsored by University of Wisconsin—J. D. Howard, 41
- Industrial Relations Conference Will Discuss Collective Bargaining Techniques, 304
- The Approach to Old Age and Retirement—J. P. Flemming, 81
- The Role of Government in Labor Relations—Cyrus S. Ching, 233

Industrial Relations Committee Personnel Conference, April 21-23, 36
Industrial Relations Conference Will Discuss Collective Bargaining Techniques, 304
Inflation and the Utilities—N. E. Funk, 73
Information on Seven Major Prize Competitions, 385
Initial Survey of Heat Pump Research, 85
Inspection, Testing and Maintenance of Electrical Equipment for Stations and Substations—A. C. Baumann and R. H. Mertz, 47

J

Joint Accounting Conference at St. Louis, Mo., April 12-14, 45
Joint AEIC-EEI Heat Pump Committee Suggests Method for Ground Temperature Measurements, 35
Joint AEIC-EEI Heat Pump Committee Survey, 256

K

Kansas City P&L Engineers Provide Books for War-Devastated Areas, 44
Key Operated Resetting Device For Cumulative Demand Registers Aids Meter Reading—C. V. Morey and A. W. Fyfe, 23
Kitchen Program
- The All-Electric Kitchen Program—Harry Restofski, 396

L

Leadership In Accident Prevention—A. T. O'Neill, 207
Life Insurance Company Public Opinion Survey Rates Electricity Best Value For The Money, 294
Lighting
- Annual Planned Lighting Awards to be Offered by EEI, Better Light-Better Sight Bureau, 121
- Lighting Program Available for Grade Schools—255
- New Planned Lighting Promotional Aids Now Available, 382
- Planned Lighting Awards, 112

Lighting Program Available For Grade Schools, 255

Liversidge Honored on Fiftieth Anniversary With Philadelphia Electric Co., 328
Long Range Growth—A Challenge To Utility Sales Forces—Walker L. Cisler, 111
Look At Your Earnings—Alan H. Temple, 181

M

Maryland Utilities Association Annual Meeting, 96
Materials Handling
Improved Handling Methods—An Answer To Industry's Rising Production Costs—F. W. McChesney, 127
Matthews Valor Award Medals Presented, 348
Members of AEIC-EEI Heat Pump Committee Establish Zones To Gather Field Test Data, 18
Meter and Service Committee
Oklahoma City Meeting, Feb. 9-11, 61
Meters
Key Operated Resetting Device for Cumulative Demand Registers Aids Meter Reading—C. V. Morey and A. W. Fyfe, 23
More Power To America—J. O. Roser, 271

N

National Committee For Utilities Radio Succeeds RTPB Utilities Group, 288
National Farm Electrification Conference Scheduled For Chicago, Nov. 17-19, 245
Nation-Wide Observance of Edison's Birthday Is Planned, 414
New ASA Standards For Wood Poles, 289
New England Electric Publishes Employee Manual, 34
New Generating Capacity Installations, 395
New Planned Lighting Promotional Aids Now Available, 382
New Procedure Is Established For Selection Of Charles A. Coffin Medal Winners, 340
New Uses and Applications Of Electric Service, 42
New Year's Message To Employees And Customers—Thomas W. Martin, 19
Next Twenty-Five Years In Accident Prevention—K. R. MacKinnon, 405
Northwest Electric Association Moves Research Advisory Service To Portland, Ore., 76
Northwest Electric Light & Power Ass'n. Chooses New Officers, 286

O
